# FLEXIBLE WALL WASHER

IP 67   5Y WAR   Watt 23W/M   CRI >80   50,000 HOURS

Manufacturing is a design practice that works alongside those with a passion for design and production

## Application

- 1. Hospitality / Landscape / Architecture.
- 2. Ideal for grazing, wall washing and architecture facades, making contours and patterns more stereoscopic and vivid.

## Technical Data

- 1. Top bend flexible wall washer with features of convenient processing and customization.
  - 2. High transmittance of PC lens with grazing angles in 40° and asymmetric 40°\*45°.
  - 3. Pixel controllable by SPI signal with smart IC UCS2904BL designed on board.
  - 4. Uniform brightness and color up to 5M (16.4ft.) run length.
  - 5. On-field cuttable and assembly to be the desired length.
  - 6. IP67 for indoor and outdoor usage.
  - 7. Complete installation accessories with adhesive tape, dip, aluminum channel, bracket and rotatable bracket.
  - 8. Environmentally friendly, high-grade appearance, soft bend flexibility, and high weather resistance, using silicone material.
  - 9. 50,000 hours of LED lifespan, and 5 years warranty.
- \* Due to an exclusive agreement, this product is not authorised for direct sales to the UK market from General Lighting.

## Product Details

Input Voltage	DC 24V
Frequency	0Hz
CCT	3000K, 4000K, 5000K, 6000K, RGB
CRI	>80%
Power	23W/M
Power Supply	Tridonic / Nassli
Beam Angle	40 - 45°
Life Time	>50,000 Hour
Operating Temp	-20°C to +55°C
Storage Temp	-40°C to +85°C
Certifications	CE, SELV and ISO
IP Rating	IP67
Dimmable	Yes
Emergency	No
Warranty	5 Years
Order Code	

NSL-FWW-SPI-23W/m - RGBW-IP67
