# LED WALL WASHER LIGHT

IP 65    5Y WAR    Watt 18-36    CRI >80    50,000 HOURS

Manufacturing is a design practice that works alongside those with a passion for design and production

## Application

It can be widely used for decoration, shopping malls, Palaces, Trade shows, Supermarkets, Conference Halls, Hotels, Schools, Hospitals, Meeting room Factories, Theater, Cinemas and Corridor etc...

## Feature

LED wall washer lights are also called as LED wall washer, which is designed as strip shape, but it's much different from LED strip lights.

It's a new type of LED light fixtures to be used to illuminate the outdoor wall of building and cover up the stain and spot on the wall.

In addition, they can help decorate and highlight the outline aesthetic of building for club, plaza, shopping mall and other public area and building.

As LED wall washer is used for outside, so water-proof, durability, safety and other features for outdoor are required.

## Product Details

|                |                                   |
|----------------|-----------------------------------|
| Input Voltage  | 220 - 240 V A C                   |
| Frequency      | 50/60Hz                           |
| Power Factor   | >98%                              |
| CCT            | 3000K, 4000K, 5000K, 6000K        |
| CRI            | >80%                              |
| LED Efficiency | 120-130Lm/W                       |
| Power Supply   | Tridonic / Nassli                 |
| LED Type       | Osram / Cree                      |
| Materials      | Aluminum, PC, & Friendly material |
| Color Fram     | Silver                            |
| Beam Angle     | 10°, 35°, 120°                    |
| Life Time      | >50,000 Hour                      |
| Operating Temp | -20°C to +55°C                    |
| Storage Temp   | -40°C to +85°C                    |
| Certifications | CE                                |
| Mounting       | Wall Mounted / Surafce Mounted    |
| IP Rating      | IP65                              |
| Dimmable       | On Request                        |
| Emergency      | On Request                        |
| Warranty       | 5 Years                           |

| Power (Watt) | Dimensions                         | Lumen |
