02	DIMENSIONS(MM)	• L1200 W90 MM

03	GENERAL PRODUCT DESCRIPTION	Rugged 18W LED tri-proof batten light built with a sealed IP-65rated housing that resists dust, moisture, and impact for reliable performance in tough environments. Featuring CRI 80/90 for clear, accurate visibility, it's rated for 50,000 hours of dependable operation. Backed by a -5year warranty, it's ideal for warehouses, garages, workshops,car parks, and damp or dusty areas.	
04	FEATURES	LED Linear Light designed for Harsh and hot environments, High lumen output. Power-saving as it replaces the sodium metal halide, so it saves between 5% and 75% of the consumed power. Unlimited number of on/off switching cycles. Aluminum heat dissipation module has a surface anodic oxidation process to make it a very resistant and anti-aging fixture. Over-temperature protection, overload protection, short circuit protection, and no-load protection.
